THEATRE SERVED

All our cocktails are served with theatre & some are also served with dry ice. Dry ice is fun & safe when handled correctly, so if your drink is served with a straw, please use it. The dry ice in our Bubblebath cocktail can be found at the bottom of the glass & if there's no straw, please allow time for the dry ice to disappear & enjoy the show. Dry ice will not be served to anyone under the age of 18. Please don't handle the dry ice with your hands instead sit back, enjoy its theatre & the aroma of the cocktail.

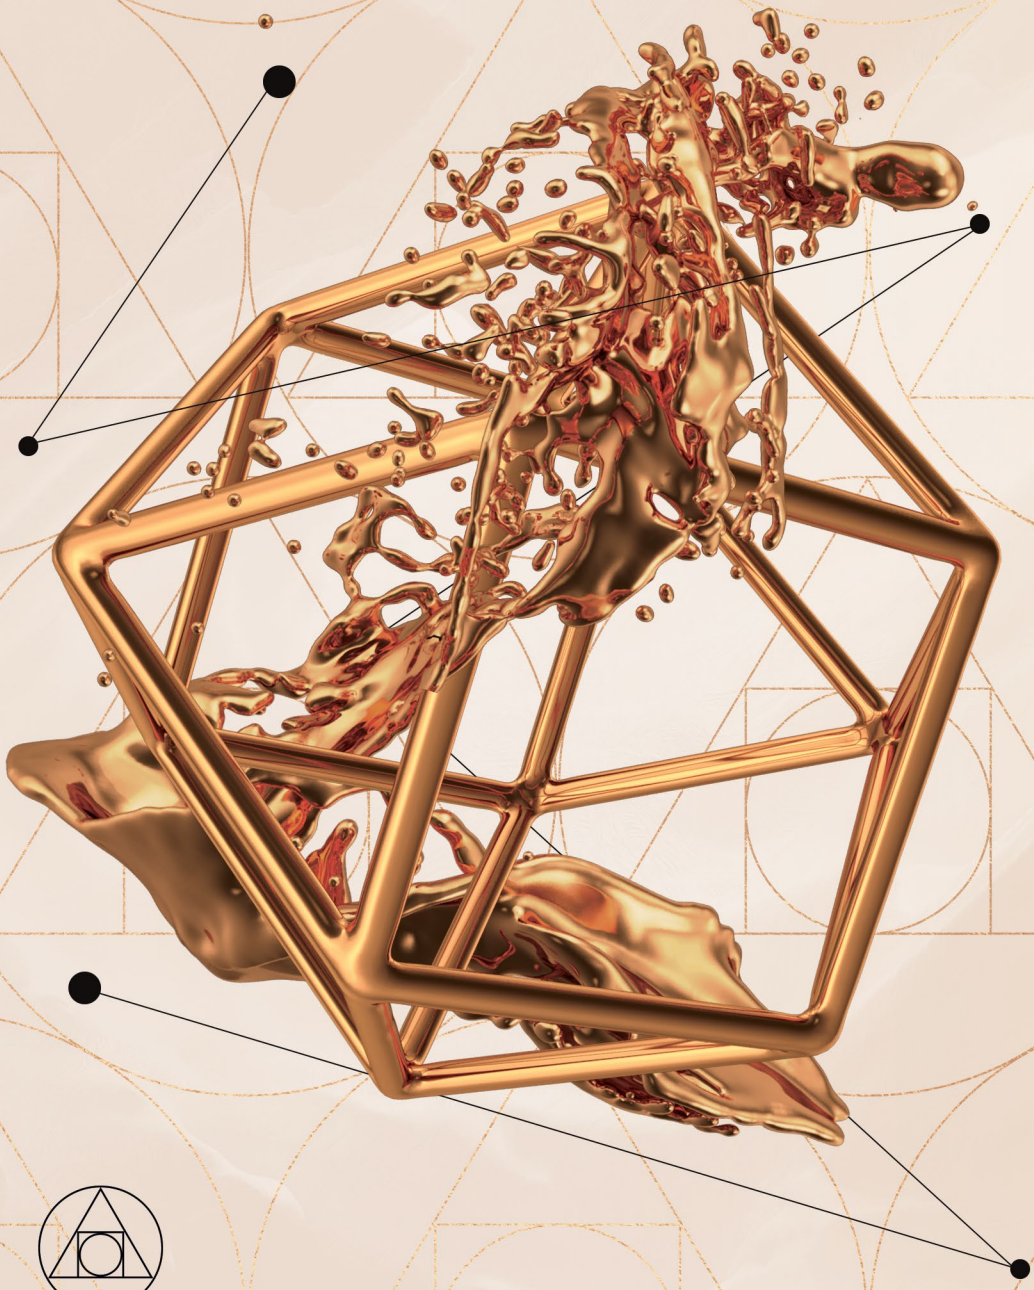

Look out also for our spectacle serves. You'll need a flat surface for these showstoppers. Best served at the table.
